[REDACTED] and Fidel,

Attached is a resume of one of maybe three people I will be submitting to you for your consideration.

I am knowledgeable of this gentleman. He recently has been the person for pension reform in Illinois. Very bright. I was high on him but I took the due diligence to talk to David Dring who has a better understanding of the dynamics and Caucus respect for staff than I do. Dave talked to [REDACTED] and he is interested. I just got off the phone with [REDACTED] and let him know that David and I would be making this recommendation to you. Of course we understand that you have to judge him on all kinds of levels in order for you to proceed to employ him. As they say that is above our pay grade.

So, David Dring and I recommend this gentleman for you to review, hopefully interview and then decide if he fits into the culture and chemistry of ComEd.

Thanks.

Best, Mike
